Patient Portal Letter

To our Patients:

We have exciting news regarding your health care!

We are proud to announce that our practice now offers you the opportunity to use the power of the web to track all aspects of your health care through our office. The Patient Portal enables our patients to communicate with our practice easily and safely via the Internet.

Once you register, you will have electronic access to our practice and be able to:

- Email our office
- Request an appointment
- Request medication renewals
- Access your medical records

Patient Portal Sign-up Instructions

Complete the following steps to connect with us online:

1. You will need to provide our office with a permanent email address.
2. After your email address is provided, we will send you a message with your username and password information.
3. You will need to click the link provided in the email to log in.

You can also download the Healow App on your Android or Apple device.

The portal is a secure and convenient place to manage your health records and those of your family members as well.

If you have questions or need assistance with the patient portal or the Healow App, please contact Kassy Troutt at 573-458-6952.

Begin today to take an active role in managing your health care!

Thank you,

Your Community Health Center
